

WINNIPEG CONSTRUCTION ASSOCIATION GOLD SEAL ONLINE TRAINING

CONSTRUCTION LAW (CL)

This course is designed to teach and familiarize owners, managers, supervisors and project managers with construction contracts and contract law; liabilities and responsibilities of all parties to a contract, compiling and submitting proper extras and claims, and ways and means for leaders to avoid conflict with contracts, owners, trades and labour.

OBJECTIVES: This course will provide managers with the tools to help them, understand construction contracts, write contracts, identify simple errors in construction contracts, understand the process claim and learn to solve construction disputes effectively.

This course has been accredited by the Canadian Construction Association (CCA) to five (5) credits towards Gold Seal Certification upon successful completion of this course. A final mark of 75% is required in order to receive a certificate of completion.
