Presents

2 Gold Seal Credits

CONSTRUCTION LAW & CONTRACTS

Two (2) Day Course: **October 29-30, 2007**
8am - 4pm, Red River College - 2055 Notre Dame Avenue

What constitutes a contract? What are the rights and responsibilities of the parties to the contract? What are liquidated damages? How are disputes resolved in construction contracts? Answers to these questions and many others will be provided in this workshop style course, which consists of an overview of the Canadian legal system with an introduction to Canadian Contract Law using local case studies and industry standard documents. Also included in the course will be an overview of the tendering process, along with a look at contract dispute resolution, risk and damages, and finally changes and extras to the contract. Instructor: Jason Coreau
