As a business owner we are always trying to find ways to access corporate money while minimizing the taxes we pay. While navigating our way through the corporate maze many of us also make sure we take care of all our obligations going forward.

In this world of competing priorities this seminar will address these issues and provide you with proven strategies to help you plan for the future and access of your money from your company tax-free.

COME AND HEAR HOW TO:

- 1) Access tax-trapped money within your company
- 2) Save money inside your company on a tax-deferred basis
- 3) Implement tax preferred estate planning strategies
