

Winnipeg Construction Association Presents An Information Session on

Tax Advantaged Investing - Part 1

Tuesday, January 15, 2008

Presented by Darren Cale, CFP Vice President
Assante Capital Management

Discover how the new dividend rules introduced by Ottawa will impact how business owners pay themselves and what investment options may reduce your tax even more. Get a refresher course on proven strategies such as Individual Pension Plans and why they are quickly gaining in popularity. As well as 2 easy ways to reduce your tax bills in the future.

Individual Pension Plan – how business owners are using these to transfer wealth from their company to themselves personally.

RRSP Refresher – get the 2008 update; new income splitting rules and how they may affect your current Spousal RRSP strategy.

Flow Through Investing – Still one of Canada's most powerful tax advantaged strategies.

Corporate Class Investments – Why these investments are gaining in popularity both within your company as well as personally.
