

WINNIPEG CONSTRUCTION ASSOCIATION & HORIZON INSURANCE - SEMINAR REGISTRATION FORM

CONSTRUCT MANITOBA 2007 CONFERENCE & TRADE SHOW

November 13 -14/07 Canad Inn, Polo Park 1405 St. Matthews Avenue

SESSION 13 SURETY BOND / CONSTRUCTION INSURANCE

TUESDAY, NOVEMBER 13/07 8:30AM - 10:00AM /CANAD INN, POLO PARK / ROOM I

Speaker: Curtis Masters / Brian Tascona of Horizon Insurance

Seminar Description:

The Builders Risk policy, what's the purpose and what does it cover? The wrap-up liability policy and how it protects the contractor. The commercial general liability policy, how important it is in protecting the contractor and the use of an umbrella policy for additional protection. Specialized design builds coverage and who needs to carry it.

What is a surety bond and what is the purpose of it? What information is required for submission to the surety company and how is it analyzed? The relationship between the surety company, the contractor, the broker and the importance of these relationships. How to maximize your surety support. The different types of surety bonds and what they do. Costs involved with setting up a surety facility and the cost of bonds. How bonds can help protect you as a contractor.
