**BUILDERS' LIEN SUMMARY OVERVIEW**

TUESDAY, NOVEMBER 13  
10:30AM - NOON @ CANAD INN, POLO PARK/ ROOM I

Speaker: Brent Kaneski, LLB, Booth Dennehy  
Seminar Description:

The Manitoba Builders' Lien Act is probably one of the most powerful yet misunderstood pieces of legislation affecting the construction industry. It generates more questions than any other aspect of construction law or legislation.

This presentation is geared for those who supply services, materials and labour to construction projects. If you are dealing with holdbacks, trust accounts, substantial completion etc. then this is the seminar for you. We will cover an overview of the Builders' Lien Act.
